Flu Shot Form

Dear Health Care Provider,

Flu viruses are constantly changing, and different flu viruses circulate and cause illness each season. The annual flu vaccine is updated each year to protect against the flu viruses. The flu vaccine cannot give you the flu; keep in mind it takes about two weeks after vaccination for antibodies to develop in the body and provide protection.

HEALTH CARE PROVIDER ACKNOWLEDGEMENT

I hereby acknowledge that the patient has completed their flu shot.

**If your appointment has passed, it is your responsibility to obtain this completed form from your provider.*

Flu Shot Provider Name (printed)

Date

Patient Name (printed)

Patient Signature

Upon obtaining your flu shot providers information, please upload this form in your PeopleOne Health online portal. The validity of this form may be verified for authenticity. Falsification of information will be subject to disciplinary actions consistent with employee guidelines.

To submit your completed form, you can upload to your PeopleOne Health online wellness portal or use your PeopleOne Health app to snap a picture and upload to the portal.
